Recognition and equivalence

CNRED recognizes documents of pre-university studies obtained abroad by assessing and determining the level, main field of studies and/or specialization [compared to the Romanian education system](#).

Following the assessment, CNRED can automatically recognize or by applying difference examinations or other compensatory measures, the level, field of study and/or specialization. When applying difference examinations or other compensatory measures, CNRED collaborates with [County School Inspectorates and the Bucharest School Inspectorate](#).

This procedure applies both for enrollment to studies in Romania, as well as access to the labor market.

CNRED recognizes, based on a file, within 30 days, the study documents attesting promotion of XI-XII grades and graduation of baccalaureate examination, vocational school and post-secondary school.

Automatic recognition

By applying automatic procedure, CNRED recognizes the diploma level without applying other difference examinations or other compensatory measures. If [the study program from abroad has a correspondent in Romania](#), CNRED recognizes, upon request, the main field of studies and / or specialization graduated.

Automatic recognition applies both to enrollment to studies in Romania, as well as access to the labor market. For further studies in higher education in Romania, CNRED collaborates with the [higher education institutions](#).

CNRED recognizes, based on a file, within 30 days, the study documents attesting promotion of XI-XII grades and graduation of baccalaureate examination, vocational school and post-secondary school.

CNRED applies the automatic recognition procedure since 2008 for diplomas obtained from schools in every state of the European Union, EEA and Switzerland.
