[CNRED invited the representatives of the School Inspectorates to a working meeting on procedures for the recognition of periods of study abroad](#)

On 4th-5th of May, at the invitation of CNRED, the representatives of the County School Inspectorates and the Bucharest School Inspectorate gathered in the aula « Sergiu T. Chiriacescu » of Transilvania University of Brasov to discuss problems specific to the activity of recognizing periods of studies conducted abroad.

The action organized by CNRED was aimed at providing assistance and exchange of information on procedures for the recognition of study documents obtained abroad by the inspectorates and how to complete the study papers issued in Romania.
